

## Papakura Theatre Company (Inc) NEWSLETTER

Patrons: Bruce and Jessie Pulman

April 2024

Hello Everyone

I hope this finds you all well and enjoying the cooler weather.

We have just finished a wonderful season of *Looking* and I would like to pass on my sincere thanks to everyone involved.

With the remaining shows for this year confirmed, the theatre is in full swing with *We Will Rock You* rehearsals. Music, dance and blocking rehearsals are all going very well with a very strong cast. Audition dates have been set for *The Games Afoot* and will be announced soon. *The Games Afoot* sounds like a great show that will appeal to many.

Congratulations to everyone, be it PTC members or those from other societies, who won ACTT and/or NAPTA Awards. PTC continues to produce great shows and that is in no small way due to the commitment shown by all those involved in our productions. Thank you all for what you do for PTC.

The Off Broadway Big Band played for an hour at the recent PARKFEST before the heavens opened and the event was subsequently called off. We had 3 songs ready to perform from *We Will Rock You* to give Papakura faithfuls a taste of what is to come but sadly the event was cancelled prior to their performance.

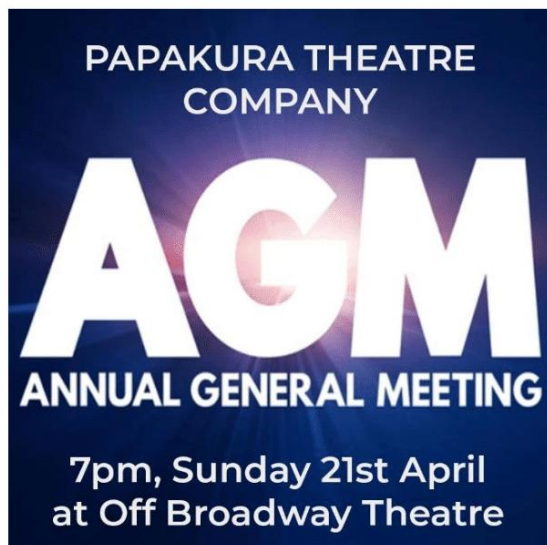

Several PTC members travelled to the MTNZ Conference in Rotorua in March. For some it was their first time, including myself. Everyone had a great time and I can only speak for the Friday night dinner and the Saturday lunch but the food was great! It was also a pleasure to meet David Spicer who was over from Australia and from whom we secured the Rights for *We Will Rock You*.

As you will see later in this newsletter, we have our AGM this coming Sunday 21<sup>st</sup> April at 7 pm. Please do come along and support your committee who work very hard for both the members and the club in general.

I would like to pay special thanks to Barb, who spends many hours putting the newsletter together and gathering information to populate the pages for your perusal. I know she will say more on the plans for the upcoming 70<sup>th</sup> celebrations in June, so block out the date.

Take care and I look forward to seeing you all very soon at one of the many events here at PTC,

Paul

Come and hear how 2023 went for PTC, have your say on how your Club is run and share in the social chit-chat after the meeting over some nibbles and refreshments.

If you are interested in standing for committee, please email [info@ptc.org.nz](mailto:info@ptc.org.nz) for information and a nomination form.

Hope to see you all there!

Come along and take a turn on the mic or just sit back and enjoy some pizza and relax whilst others give out with the songs! Whatever, it is sure to be a fun night!

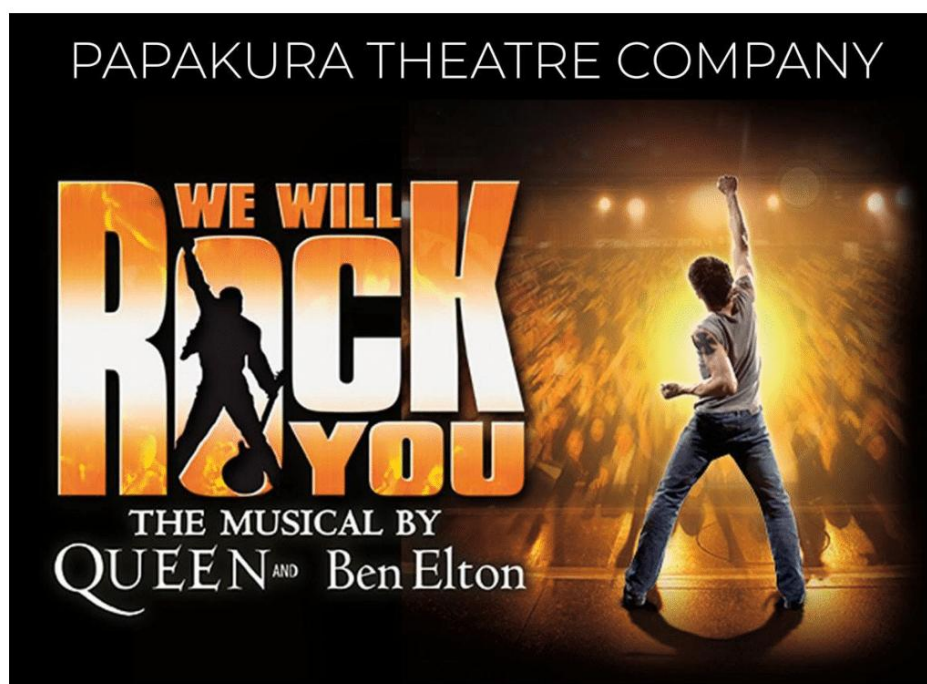

## LOOKING – SUMMING UP

This comedy, unknown to many, turned into a real success! The audiences loved it – everyone leaving each night with big smiles on their faces and saying how much they enjoyed it. That's so good to see and hear! Although there was plenty of publicity out there, word of mouth certainly got around on this one and the bookings just got better and better.

Thank you to Director Bob Lack, to our four superb cast members and to our brilliant production crew for producing such a great show.

A happy bunch of thespians celebrated after the final performance with bubbles and supper and lots of laughs during the thank-yous and presentations!

## UPDATE ON OUR NEXT PRODUCTION

Welcome to new members of the WWRY cast – we hope you will enjoy working with the PTC team.

- Remco Numan
- Nathan Johnson
- Anessa Malik
- Anna Reyes
- Liam Farrell

Rehearsals are progressing really well – choreography with Hayze is looking pretty amazing and the backing vocalists with Paul, accompanied by Phillip on the piano, are getting to grips with some pretty tough harmonies. Director Anthony has met with set designer Allan and set crew will be starting the build this week. It's all go! And very exciting!

So many people have asked about this show and enquired when tickets will go on sale. Watch for the announcement on Facebook and our PTC website – it'll be fairly soon!

## **FUNDRAISING CONCERT FOR CHRIS & LIAM WALKER**

***Took place last Saturday 13<sup>th</sup> April at Off Broadway***

What an absolute delight Chris and Liam's concert was. Their audience was treated to a great mix of solos, duets and trios in song with some beautiful harmonies, a Sonata from Sarah and her cello students (the youngest was only 7) followed by a superb solo from Sarah on her cello. One of the surprises was a brilliant performance from two very young students - Jamie Zhang on the erhu (Chinese violin) accompanied by Hailey Guo on the piano. The concert finished with songs and scenes from ***Mary Poppins***, which Majors 'n' Minors are staging a little later in the year. All the young cast sang and danced so well – they were obviously enjoying themselves. Congratulations to Liam and Christopher and all the young people who appeared with you and to those who supported you and helped put your concert together. Best of luck on what sounds like a very exciting trip with your school!

## AND SOME INFO FROM THE PERSON TYPING THIS, WHICH YOU MIGHT FIND HELPFUL – ABOUT RECYCLING!

Now that our Government has brought in 'rules' standardising what we can and can't put into our recycling bins, it seems we are to be left with all the lids and tops of various containers and bottles because they are too small to go through the machines at the recycling centres and are blocking up the equipment across the country. We therefore have to despatch them to our landfill bins. This is more than sad, although I understand the reasoning.

However, there are collection points accepting all types of container and bottle lids (like your milk bottle caps) metal lids, bottle caps (including off of beer and wine bottles) and container lids (ie plastic takeaway, spread and ice cream containers).

So, help our planet and stop these things having to go to landfill - maybe gather up lids and caps from your family and friends, and drop them into either of these places.
